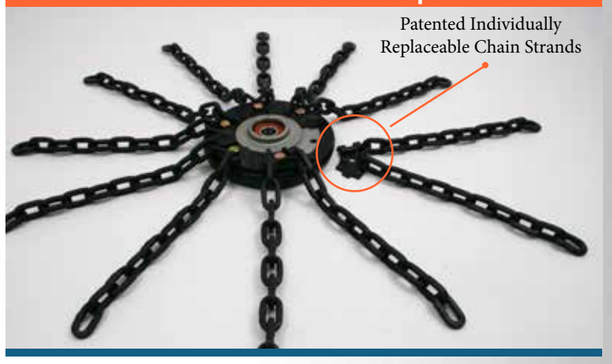
INSTA-CHAINS UNIQUE KEY FEATURES

6 Chain Wheel—6 Strands per Wheel

12 Chain Wheel—12 Strands per Wheel



100% Greasable Ball Joint & Arm Bearing

Greasable Wheel

Anti-corrosive coatings for longer service life.
Powder coated air cylinders with chrome plated clamp & hex shaft provide insulation against corrosion. The tight sealing rubber boot prevents the ingress of road chemicals into the air cylinder.

Higher wear resistance = longer service life and lower costs: Insta-Chain features "All-Square link" chain providing superior traction and 30% more wear resistance than standard twist link chain.

AUXILIARY AIR SYSTEM
Provided on vehicles without on board air.
